DEPARTMENT OF POLICE

George H. Fietenbauer
CHIEF OF POLICE

143rd

Emergency Telephone System Board
14030 Park Ave.
Dolton, IL 60419
708-841-2533

AGREEMENT

January 10, 1991
For 9-1-1 Emergency Communications

This agreement is made between the Village of Dolton Public Safety Answering Point, hereafter referred to as "PSAP" and Riverdale Police Dept. for the purpose of effective handling and routing of 9-1-1 emergency calls.

CALL HANDLING

Dolton PSAP center receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Secondary: Phone 708-849-2131
Phone 708-841-2203
Primary: Radio 470.8125 (Network Frequency
Radio 9) Frequency

AID OUTSIDE JURISDICTION BOUNDARY

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP center agrees to keep records, times and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records and service will be the responsibility of the advisory and policy board.

Any agreements or changes in agreements and operating policies must be approved by the advisory board.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP center agrees to keep records, times and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records and service will be the responsibility of the advisory and policy board.

Any agreements or changes in agreements and operating policies must be approved by the advisory board.

AGREEMENT

January 10, 1991
For 9-1-1 Emergency Communications

This agreement is made between the Village of Dolton Public Safety Answering Point, hereafter referred to as "PSAP" and U. S. Coast Guard for the purpose of effective handling and routing of 9-1-1 emergency calls.

CALL HANDLING

Dolton PSAP center receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Phone	<u>312-353-0278</u>	
Phone	<u>X</u>	
Radio	<u>X</u>	Frequency
Radio	<u>X</u>	Frequency

AID OUTSIDE JURISDICTION BOUNDARY

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP center agrees to keep records, times and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records and service will be the responsibility of the advisory and policy board.
